FOR
FUN

Have some family fun this week!

Have family members take turns asking the others to pick between two choices. For example, "Would you rather go on a bike ride or go to the dentist?" Some choices can be silly while others might be more serious. Esau had the question, "Would you rather have your birthright, which lasts forever, or a bowl of stew to eat right now and will soon be gone?" Share about some important decisions you've had to make for yourself and your family.
